

Revd. Sue Cruse.

Revd. Sue Cruse lead her final services at both of the churches on Sunday 30th of January. This was followed in the evening by a bring and share dinner at the Community Club where over 125 parishioners came to give thanks for all she has done during her seven years in the parishes. Sue first came as an ordinand in training on placement in the Autumn of 2003. She was appointed as curate to begin after her graduation in the summer of 2004. This was to work with Patrick in a role seen as learning about ministry “on the job”. In the Autumn of 2008 Sue moved into the role of Associate Minister, with specific responsibilities in the parishes. Now she is moving to be Vicar of Gosfield and Greenstead Green in the Halstead Team Ministry.

Sue said at her dinner that the people of Ingatestone and Fryerning will always have a place in her heart. The same is true of all of us in relation to Sue. We wish her happiness and fulfilment in her new role and with Ian in their new house. As part of her gifts she was provided with *A New Parish Survival Kit*. This included all the things she will need if she gets lost in the wilds of north Essex. However, we know that Sue will not get lost, but she will help many others to find the importance of faith in God.
