

New Year's Eve service at 6 p.m. before
the fireworks.

The service at St. Edmund and St. Mary Parish Church began, as did the fireworks, with the desire to mark the new millennium eleven years ago. It is a service that has grown in the numbers of people attending in the last few years, with the congregation always being in three figures. It is the perfect prelude to the fireworks. Of course it is also nice and warm in the church. Do consider coming to the service before making your way to celebrate with the fireworks.
